Hello, I'm Kelsey P Jones.

Creating engaging and meaningful content is my passion. Over the past 7 years I've had the privilege to work for companies like BuzzFeed, Netflix, and MGM. I've become a capable and skilled producer with experience in all aspects of production. This is my dream career and I can't imagine myself doing anything else!

Experience

That Hipster Kid Productions OWNER

Started my own freelance video production business under the name, That Hipster Kid Productions.

- Producing short form content, short films, etc. for clients/brands
- Launched one of the top 3 podcasts for HBO series, Gentleman Jack with nearly 5,000 downloads in Season 1.
- Produced, shot, directed, and edited two segments for PBS's North Carolina Weekend, airing Summer 2021.

Sid Lee in Los Angeles, CA (Remote) **EDITOR**

Edited social content for Netflix's Strong Black Lead holiday releases on a freelance basis.

- Collaborated with a team of creatives to make promotional social content for a Netflix holiday film.
- Edited, color corrected, and audio mixed interview footage for promotional videos.
- Successfully completed any and all editing tasks under the tight deadlines of the holiday season.

Dolo Digital in Asheville, NC

SENIOR PRODUCER

Produced, filmed, and edited original content for regional & national clients and brands such as Roots Hummus.

- Coordinated all phases of video production successfully from pre through post under tight deadlines and limited budgets.
- Managed and maintained gear/edit suite and any all media dept. tasks.
- Effectively and meticulously managed production timelines for various projects at one time.
